Subject: WV spill-related tweets - 01/17 MID-AFTERNOON

WV spill-related tweets (& some others intermixed) from WV DHSEM, Larry Messina, Dave Boucher, Ken Ward, Jr. & American Rivers.

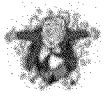

NOTE THAT THESE ARE SCREEN SAVES (IMAGES) SO THE LINKS WILL NOT WORK.

Highlights:

- [REDACTED] Freedom Industries has filed for bankruptcy
- [REDACTED] The chemical bioaccumulates up the food chain
- [REDACTED] Key test CDC used to set the WV water level was a different chemical
- [REDACTED] WV politicians want Gina to come to WV to talk to coal miners...why not ask her to drink the water?
- [REDACTED] Questions, questions, questions – Lynn Goldman, former EPA official
- [REDACTED] Why were 300K rural WV residents on same water supply? Because the rest of the water was already poisoned.
